

## CAPABILITY STATEMENT

Acuity Total Solutions, Inc. stands out as a leading Woman-Owned, 8(a) SBA Certified company specializing in facility maintenance services. We offer custodial and grounds maintenance support to the federal government.

Our dedicated team is committed to actively listening to our customers' needs and comprehending the specific services required to fulfill those needs. We conduct thorough surveys of buildings to pinpoint challenges and swiftly implement effective solutions. Leveraging our expertise and staying abreast of the latest and best practices in green cleaning, waste minimization, and resource conservation, we deliver clean facilities to our clients at a competitive price. Our firm is consistently expanding its presence in the field, providing comprehensive IT services and operational facilities maintenance. This expansion further strengthens our commitment to delivering full-service value to our clients.
